

Dear Valued Customer,

Happy New Year to all of you LoCarbers out there! Now that the holidays are over, it's time for us all to take our "New Year Resolutions" seriously and start eating healthily. We have a full line of delicious breads, bagels and buns from Carb Krunchers as well as wraps and pitas from Toufayan Bakery. Limits on all breads have been lifted. You may now order as many as you would like.

We have prepared some new gift selections for your favorite low carb family and friends that are sure to please. Both selections contain Chocolate Dreams and Wishes SF Chocolate Cups. We are the only site on the internet that carries Chocolate Dreams and Wishes Chocolate Cups. Be sure to stock up on these delicious SF chocolates.

Our Perishables Policies remain the same: **WE GUARANTEE NEXT DAY SHIPPING ONLY.** To lessen the possibility of spoilage, please take your breads in as soon as they arrive. Many of our customers have their package shipped to their workplace. Please freeze your breads in freezer wrap or freezer bags

Tracking Numbers: We are now processing shipping labels in advance. Your order will ship in your regular shipping day which may not be the date that the label is created. You will receive a tracking number from us when your label is created. This does not mean that your order has shipped. If the tracking information states: "This message was sent to you at the request of LocarbDiner.com to notify you that the electronic shipment information below has been transmitted to UPS. The physical package(s) may or may not have actually been tendered to UPS for shipment. To verify the actual transit status of your shipment, click on the tracking link below or contact LocarbDiner.com directly." Once the tracking number changes from "Billing Information Received" to actual shipping data, your order has shipped and you will be sent an update from UPS.

Out-of-stocks: If we are out of breads, we will hold your order until the out-of-stocks have come in. THIS IS TEMPORARY!

If your order does not arrive at your home or office according to our **Perishables Delivery Schedule**, please check with us; there is a good chance that your breads are on back-order and your order will ship as soon as the breads come back into stock. If you wish us to send your back orders later, there will be an additional charge for shipping the additional package to you.

Please continue to follow the posted limits on breads, onion pockets, hamburger and hot dog buns. To ensure that your breads stay tasty to the last bite, please repackage all breads in freezer bags and freeze them immediately! **For best results, do not microwave!**

Remember, we only guarantee perishables against spoilage if shipped via UPS Next Day Air. Please do not ask us to replace or credit your account for spoilage.

Our ordering deadline for breads and bagels is Monday, 8am. If you have missed the deadline, we will try our best to ship your order if it will arrive by the end of the week on Friday.

Due to insurance and health reasons we no longer are able ship large orders in heavy oversized boxes; if your order is too large to fit in one box, it will be split into two shipments. Additional shipping charges may apply. As a guideline, we can fit up to 12 breads into 1 box. We are sorry for the inconvenience.

YOUR DELIVERY DATE: Please check our policies page for your delivery date. Orders are shipped depending on the order that they were received and by zip code. Please contact us by email as we cannot provide this information over the phone. Please put complete information (including area code) in the billing/shipping form at checkout. We are unable to print out a shipping label without an area code or a valid email address.

ORDERING HOURS BY PHONE—6pm-9pm Monday through Friday

- We prefer that you place your order on our web site: www.LoCarbDiner.com. If you are having trouble placing your order, have questions about products or your dieting regime, or do not have an internet connection, we would be happy to assist you. We no longer accept MONEY ORDERS as a form of payment. If you would like to pay by ELECTRONIC CHECK, please call between 6 pm and 9 pm, and we will place your order for you. If you do not reach us, please **do not leave a message** as our voice mail box is unattended; please be sure to call until you reach us. Please ensure that your caller ID is entered into your phone.

YOUR ORDER CONFIRMATION

- If you do not receive a copy of your order via email along with a confirmation of your credit card charge (2 emails), then your order has not gone through. Please wait for a screen that says **THANK YOU FOR YOUR ORDER!** in big red letters. If you see an error message on the final screen, your order has not gone through. Please look for error messages and try to correct the information. If you are not able to do this, please email us and we will do our best to get your order to confirm.
- We try to fill special requests, however, this can delay the shipping of your order.

While waiting for your order:

- **Please check your email for your tracking number or for any messages from us.** Please provide us with a correct daytime phone number; we may need to reach you about your order. If you cannot find information from us or from UPS about your tracking number, please email us after checking your INBOX as well as your SPAM folder. If breads are on back order, your order will be shipped as soon as your items have arrived at our warehouse and/or according to our **Perishables Shipping Schedule**. Please consult this schedule if you have ordered breads, brownies or chocolate.
- **PLEASE WRITE US if it has been a very long time and you have not received your package.** It is possible that your order has been damaged or lost in transit. UPS is a very reliable shipper, but things do happen! (Be sure to include the actual order that was emailed to you from the LoCarbDiner, not your credit card receipt! Please include your order confirmation in the BODY of your EMAIL so that we can easily track your order.)
- Please check our **Perishables Shipping Schedule** on our **Policies Page** (<http://locarbDiner.com/policies.html>). This will answer your questions about which day of the week your order will ship.
- Please check your email frequently for emails from us and for tracking numbers that are automatically sent to you from UPS.
- Please be sure that you enter your email correctly in the space provided when you place your order; please add UPS Quantum View in your email "whitelist."
